PAUL & PETER

Austrian pop duo Paul & Peter, consisting of Paul Wohlfahrt and Peter Zierhofer have one thing in common: their passion for music. Knowing each other since childhood, they faced each other as opponents in various competitions, after deciding to reunite and make music together. After winning several casting shows with their first single 'Demons', they reached the finals of The Voice with their song 'Somebody to love', which was recorded afterwards featuring Lucas Voxx, back in 2018.

Followed by the single 'The day we met' and covers of James Arthurs 'Naked' and A7S and Topic's hit-single 'Breaking Me', they kicked off 2021 with their new single 'Cloud 9', in corporation with Bellevue Records. Currently, Paul & Peter are working on new tracks which will be released in the next months, starting with 'Just stop' at the end of April.

Besides their stage performance, Paul Wohlfahrt and Peter Zierhofer are constantly working on improving their songs, editing their own music videos and recording numerous new song ideas as well, which can be seen via clicking on the links below:
